THREE ENCHANTING COLOUR PALETTES TO CREATE
AN ENVIRONMENT TO INSPIRE YOU

63

CITY ROAD

NOVA

Nova has a light touch. Pure white and pale greys reflect and enhance the natural light pouring in through the full height glazing.

VIDA

Vida sets up contrasts of light and shade, used to particularly dramatic effect in the kitchen cabinets. It breaks the rules, but does so with style.

STRADA

Strada offers a bold choice for those who aren't afraid of the dark. Rich hues of blue-grey in the kitchen and dark wood for the wardrobes make a strong design statement.

64

EDUCATION

We have teamed up with local schools and universities to provide career tips and advice, including CV presentation and interview skills. During Child Safety Week, we invited local residents, parents and children to visit the site. By involving the local community, we raised awareness of the potential hazards when living near a construction site and how they can be prevented.

SUPPORTING THE COMMUNITY

We sponsor local charities and events, including The Islington Boat Club, The Angel Canal Festival, and the homeless charity Home Start

A website provides details of the building application and allows the public to submit their feedback

The City Road newsletter is sent out every month to update residents and the community on progress and up and coming works
